FRAPPE HR EXTENDED PROFILE

OVERVIEW

Frappe HR is a comprehensive, open-source human resources and payroll management system designed to streamline HR operations for organizations of all sizes. Built on the Frappe Framework, it offers a suite of integrated modules that cover the entire employee lifecycle, from recruitment to retirement.

CUSTOMIZATION AND INTEGRATION OPTIONS

Frappe HR's modular architecture allows for extensive customization. Users can modify forms, reports, and workflows without extensive coding knowledge. The system supports integration with various third-party applications, including biometric devices and accounting software.
